

Thank you for your interest in Mon County Habitat for Humanity!

As we continue to grow in the Monongalia County community (we have nearly completed 41 homes to date), we find the need to build and to help working families also grows as well.

Habitat for Humanity works with partner families and volunteers to build simple decent housing for qualified Monongalia County families. Our partner families are hard-working families, looking to achieve the dream of owning their own home. Mon County Habitat can provide many of them with that dream..... but **ONLY WITH YOUR HELP!**

It costs Mon County Habitat for Humanity approximately \$76,000 to build each Habitat home. Habitat for Humanity raises this money from various sources and use of donated goods and services. Habitat for Humanity is **NOT** a government agency and

DOES NOT accept government funds for our building activities. Money needed for each home is raised from the kindness of individuals, churches, business and civic organizations to provide the needed capital to build our homes.

As a **CARPENTER CLUB MEMBER**, your donation will be used 100% toward defraying the necessary cost associated with building a new home for a deserving family. This is an easy way **YOU** can be an integral, ongoing part of our organization. Won't you help us today?

Please use the enclosed form and become a member of the Mon County Habitat for Humanity Carpenter Club Today!

**The Carpenter Club—An Easy Way To
Become A Vital Part Of Our Organization!**

The Carpenter Club is an organization whereby members make a pledged donation to Mon County Habitat for Humanity each time a new home is completed (your annual obligation will not exceed 4 homes). A statement will be sent to each Club member at the end of each quarter, informing them of the total number of homes completed in that quarter and of the amount due.

Carpenter Club members are also sent Habitat for Humanity's newsletter and are invited to home dedications and other special events.

The Mon County Habitat for Humanity Carpenter Club has several different giving levels:

- Hammer Head.....\$15 per home**
- Painter.....\$25 per home**
- Roof Framer.....\$40 per home**
- Roof Raiser.....\$75 per home**
- Hope Builder.....\$100 per home**
- Dream Builder.....\$250 per home**

You can invest in our community without breaking your budget. The cost of becoming a **Hammer Head** could provide you with a really good meal in a restaurant, or help provide a deserving family a lifetime of housing!

Your individual pledge, or even the pledge of a church, Sunday school class, business or other organization will give our program that extra boost we need to turn blueprints into a family's dream home.

ALL money raised by **Carpenter Club Members** will be designated for use exclusively to build Habitat for Humanity Homes for families, not for administrative or other expenses.
